A Healthy Meal for You... A Healthy Beginning for Others

Our sole purpose is to provide a nurturing work environment for women who come from backgrounds of chronic unemployment, poverty or displacement. There are only two other programs similar to the Healthy Sisters' Soup & Bean Works nationally. In this innovative work experience program, women earn a steady paycheck, develop self-confidence and job skills needed to enter or re-enter the workforce.

"It is a pleasure working here. It helps me with job experience, to be accountable, responsible and to be on time. HSSBW really understood me and helped me with my recovery."

Why Should You Team Up with H.S.S. & B.W.?

Healthy Sisters Soup & Bean Works has created a platform for students to help themselves while having a positive impact on the community. We are a not-for-profit organization, therefore we only keep what it costs to produce our products and the rest goes towards your fundraising efforts.
